Good afternoon Maryland DECA Advisors.

Power Trip - November 17, 2018

Registration deadline is Friday, October 19th.

Next month, DECA, Inc. will be hosting its Power Trip in our own backyard at the Baltimore Marriott Waterfront. In effort to boost attendance, the DECA Board has approved a \$30 credit on the 2019 State Career Development Conference (SCDC) in February for any member that attends Power Trip. Meaning, if Joey Smith attends Power Trip, they will be eligible to take \$30 off the registration cost of SCDC.

Please note - if you have a state officer in your chapter, DO NOT register them under your chapter. Keisha Maddox, the State Officer Advisor will be registering them under Maryland DECA.

The Board of Directors will also be hosting a nightly social for those that want to attend. More details to follow.

The Maryland Chapter of The Leukemia & Lymphoma Society (LLS) is looking for outstanding, driven, compassionate high school student leaders to be candidates in the 2019 Baltimore and Eastern Shore Student of the Year Campaigns!

In this program, chosen student leaders become Candidate Ambassadors for LLS to spread awareness in their community, lead a team and compete to raise the most money for the mission of LLS during a 7 week period, ending in a Grand Finale Gala Celebration. The top fundraising student(s) receive a \$2,500 scholarship & \$1,000 goes to the student who best exemplifies the LLS mission throughout the campaign. Candidates receive leadership training and personalized goal planning in fall 2018, and earn community service hours and a recommendation letter for participating! AND the best part, make a big impact on the mission of LLS and help save lives!
