Bcc: leo@marylanddeca.org

Hi Advisors,

This is a **LAST CALL** for any registrations for POWER TRIP happening Friday, November 16 thru Sunday, November 18 at the Baltimore Marriott Waterfront. As Maryland DECA, we currently have over 50 members attending, at minimum, the ALL DAY SESSION on Saturday, the 17th.

LINK: <https://membership.decaregistration.com/deca#>

I encourage any chapter that is still considering whether or not to attend, to either **REGISTER IMMEDIATELY** as this is a conference you won't want to miss, or email leo@marylanddeca.org / call [443.812.8782](tel:443.812.8782) and we can work out specifics one-on-one.

In addition, below is a message from DECA, Inc. regarding any last minute registrations to ensure you reserve your t-shirt size. This is ONLY for those that haven't registered as of this email.

DECA says you can still register for the Power Trip on line at least through today BUT if you want T-shirts for your students you must email today BY TODAY

Your School Name, Advisor Name and how many t-shirts and what size t shirts you need to Claudia@deca.org and to Michael@deca.org

Any questions call DEC at 703-860-5000 conference #3 and speak to Claudia Velasco.

Thanks.
